

WATERFRONT WEDDINGS at CHEQUESSETT CLUB

Henry + Mac Photography

Over the years, many couples have discovered Chequessett as the ideal location to have a true "Cape Style" wedding. Maybe that's because Chequessett is as welcoming and laid back as the Cape Codders who call this club their "home away from home." If you seek a relaxed waterfront setting to host your wedding, commitment ceremony, reception, rehearsal dinner, anniversary, or private party, Chequessett is the place for you!

Our Boathouse, Clubhouse, Waterfront Tent, and Private Beach are all available for special events. At the [Clubhouse](#), the spacious 1,800 square foot tented deck overlooks the 9th hole of the golf course, while the main dining room features exposed beams, high ceilings, hardwood floors, a large decorative fireplace, and spectacular views of Wellfleet Bay. The Clubhouse also features both inside and outside bars.

Our [Private Beach](#) is available for private ceremonies at no additional fee. Couples frequently exchange vows with the backdrop of the bay, Great Island, and sailboats blissfully playing in the wind.

Chequessett's [Boathouse](#) offers a casual Cape Cod alternative for those seeking a more relaxed atmosphere for their gathering. The Boathouse is a large, open room with exposed beams and a wooden floor, ideal for dancing—and it boasts a 60' deck running parallel to the nearby shoreline.

Our premier [Waterfront Tent](#) offers an idyllic setting for your guests to enjoy the sights and sounds of the bay during dinner. This 40'x60' tent is fully enclosed with clear siding that can be opened depending on weather. The tent can accommodate up to 165 guests. An attached Catering Tent provides additional space for meal preparation.

Chequessett is proud to offer, in addition to its full bar, an extensive wine list to fit any budget. Our vast network of contacts in the community proves invaluable in providing assistance with special requests ranging from music, caterers, flowers and tents to the freshest seafood in town.
