At Chequessett, we believe every celebration deserves a place as timeless as the memories it creates.

Set along the peaceful shores of Cape Cod, our club offers a rare blend of natural beauty and relaxed coastal charm, where sunsets, sea breezes, and quiet shoreline views become part of your experience.

For generations, Chequessett has been a gathering place — a spot where families return year after year, where friends reconnect, and where couples begin new chapters surrounded by the simplicity and elegance of the Outer Cape. Our weddings reflect this spirit. Each one is shaped by the landscape, supported with genuine care, and thoughtfully designed to feel warm, personal, and true to the clients we provide service to.

# Wedding Packages

Our packages are designed to help you shape a celebration that feels natural to the landscape and true to your story. From toes-in-the-sand ceremonies to gatherings in our quaint coastal boathouse, each option captures the authentic charm of the Outer Cape. Please note — our season is from May through mid-October.

We keep our offerings transparent, relaxed, and thoughtfully structured, so you can focus on what matters most: enjoying the moment, embracing the setting, and creating memories surrounded by the people you love. As you explore the pages ahead, you'll find three distinct offerings for your day, each shaped by our unique waterfront spaces and supported by our dedicated team.

No matter which package you choose, your celebration will feel ideal, personal, and delightfully Cape Cod.

## Ceremony on the Beach

Your story begins with a waterfront ceremony on our private beach, where the harbor glows, and the horizon becomes your aisle. Placement of our ceremony chairs will be determined by the tide on that day.

After the ceremony, guests are welcomed to our historic boathouse for cocktail hour. The covered deck opens to wide water views, offering a perfect spot for mingling, photos, and enjoying the late-afternoon light. Inside, the lofted beams and breezy, open layout create a relaxed atmosphere where everyone can unwind.

## Dinner Under the Tent

As the sun lowers, the celebration continues beneath our twin-spired waterfront tent, complete with clear siding and panoramic views of the Wellfleet harbor. Couples select their preferred caterer, giving this portion of the evening a personal touch — from coastal-inspired menus to family-style favorites. Dinner here feels intimate and elevated, framed by soft lighting and the sound of the lapping water.

When dinner winds down, guests make their way back to the boathouse for dancing and dessert. The hardwood floors, open space, and warm coastal character create the perfect setting to celebrate late into the evening. It's lively, joyful, and exquisitely connected to the beach just beyond the deck.

The Boathouse Package centers your celebration around our quaint waterfront boathouse, offering an intimate, charming setting that blends right into the shoreline. Your wedding begins with a ceremony on our private beach. Placement of our ceremony chairs will be determined by the tide on that day.

After the ceremony, guests head to the boathouse for cocktail hour, enjoying the long covered deck and the easy connection to the water. The space feels welcoming and unhurried, making it a natural place for guests to mingle and settle into the celebration.

As cocktail hour wraps up, our dedicated team resets the boathouse for dinner, creating a warm and inviting setting. Your chosen caterer brings the meal to life as we design the room to showcase the views and easy coastal atmosphere.

When dinner concludes, we transition the room once more by removing the furniture and creating a lively, open space for dancing. With the deck and shoreline just a few steps away, the evening ends in a jubilant, coastal setting that feels distinctly Cape Cod.

# Ceremony Only

The Ceremony-Only Package offers a beautifully simple, one-hour celebration on our private beach—perfect for couples who want a truly coastal “I do.” Guests gather along the sand, while the harbor creates a natural, picturesque backdrop. Because our shoreline is tide-dependent, ceremonies may occasionally be moved to our nearby boatyard, which still provides a charming waterfront setting. The hour is dedicated entirely to your moment: an intimate gathering, a walk down the aisle framed by the coast, and a relaxed, heartfelt exchange of vows before the day continues in whatever way you imagine next.
