

FUN, FRIENDSHIP and LEARNING **at Chequessett Club on Cape Cod Bay**

Enroll your kids for one to eight weeks of summer days filled with fun, challenges, friendship and learning at our beautiful club.

Kids 7-14 learn or hone their skills at sailing, tennis, golf, swimming, pickleball, volleyball and more. They play Capture the Flag and tetherball at the waterfront and explore the beach that makes our club truly magical. They learn survival skills and boat building. And along the way, they make memories and friendships that last a lifetime.

Our highly experienced coaches and counselors provide a safe and stimulating camp environment for all kids, with special focus on fostering a love for the bay and preserving its natural beauty. A certified lifeguard patrols the waterfront, and all of our coaches are members of the Positive Coach Alliance, ensuring that your kids get the most from their days at camp.

Tasty and healthful lunches are available with special attention given to kids with allergies and dietary restrictions.

During their enrollment, campers and their parents are invited to Thursday Night Socials at the Boathouse, underscoring the warm and inclusive culture that the club has nurtured for almost a century. Camp enrollment is limited to 32 kids per session, organized into four groups of eight.

Camp hours are 9 am to 3 pm Monday-Friday. July 4th, campers will participate in the Town of Wellfleet Parade.

Contact, 508-349-3704

HIGHLIGHTS

Waterfront • Tennis • Pickleball

Daily instruction from our Club Pros!

Waterfront

Swimming, volleyball, Capture the Flag, beach exploration, tetherball and more.

NON-MEMBER FEE

- \$725 per session
- \$5,300 for all 8 sessions
- Cost after April 15, 2026: \$850 per session

SPECIALS on LAND & SEA

Special events are scheduled for each session, exposing kids to new experiences, new ways of thinking, and providing opportunities to pursue activities they already love.

(Not every special event will be offered during every session.)

WATER & LAND SPORTS

Campers enjoy relay races, wiffle ball, ping pong, kickball, swimming games, tetherball and more.

BUILD A CIVILIZATION

Campers learn what makes a community and build their own civilization. Does it have what it takes to flourish?

ORIENTEERING

Campers learn navigation and compass and coordinate skills to find hidden treasure.

SURVIVAL

Campers build shelters, a fire, and learn how to survive on the beach after a shipwreck.

LITTLE DRIFTERS

Campers build and engineer mini boats.

WOOD CARVING

Older campers learn how to handle tools as they carve an eating utensil from a block of wood.

NATURE ART

Campers collect natural found objects and create artwork with them.

ARTS AND CRAFTS

Campers paint, draw and make jewelry.

BIO BLITZ

Campers explore different areas of the camp and learn about biodiversity.

ENDANGERED EGG BABIES

Campers learn about habitat destruction, invasive species, pollution, poaching and over-harvesting.

ICE MELT/EGG CARE

Campers create a structure to keep an ice cube from melting and an egg from breaking.

MEDIC JR. ON THE BEACH

Campers learn the basics of beach safety and how to address emergencies such as cuts and broken limbs.

MINI GOLF

Campers design and play on their own mini golf course.

SWIMMING

Campers enjoy water games, swimming, pool noodles, paddle boards and jumping off our dock.

BUBBLE SCIENCE

Campers build giant bubble rings, cubes and pyramids to create bubbles that float and bounce!

DRAMA

Campers perform in a talent show, puppetry, plays, comedy skits, singalongs and game shows.

BOARD GAME STATIONS

On rainy days, campers move through stations, playing board games and creating their own games to solve problems and work in teams.

GROUP GAMES

Camp-wide games where everyone gets involved!

ROCKETS

Campers design rockets, learn the science behind them, and see how high they can fly.

QUIET CORNER

Need a break? Campers enjoy a quiet place to read, do word searches and puzzles.
